CASH 4 CLOTHES Edinburgh

Are You A School?

Cash4Clothes operates a system of textile banks in addition to the shops.

These are metal containers into which you can deposit unwanted garments AND raise some cash for your organisation too.

Many schools have clothing banks but if you run a company we may also be able to supply you with a clothing bank which will be regularly emptied by us.

The benefit is that we will give you an amount of money for every kg deposited - in a similar way to what customers receive by depositing items at our shops.

If you are a school, college or business we would be pleased to hear from you. This will allow us to establish if it would be suitable to place a clothing bank at your premises. Contact us now to find out more about how Cash4Clothes can mean cash for you.

Cash4Clothes now open in Edinburgh and Kirkcaldy

CASH4CLOTHES has opened new shops in Leith, Portobello, Morningside and Kirkcaldy.

And it is easier than ever to get cash for clothes by bringing in your unwanted garments in exchange for cash.

The new shops are at Jane Street, Leith; High Street, Portobello; Comiston Road, Morningside and Kirkcaldy.

Every year the Scottish public discard millions of garments, clothes, shoes, handbags and household textiles.

These garments and textiles can be worn and re-used by people in developing countries in Africa.

We export them once they are collected at our Leith head office.

Further shop openings are planned in the coming months.

So how does it work?

Simply bring in your unwanted clothes and we will weigh them. You will then receive 50p for every kilo. It couldn't be simpler. All kinds of clothing are accepted. A spokesman for CASH4CLOTHES said: "It is a brilliant way of recycling clothes, getting money for items you no longer need and ensuring that unwanted garments find a new use in other countries. While we are a commercial business, we also do our bit for charity, too. We are supporting Cash4 Kids and helping to support a young football team. You can read about that elsewhere in this newsletter." More details on Lothian Recycling can be found on our website www.lothian-recycling.co.uk

Football first as Cash4Clothes helps boys' team

CASH4CLOTHES is doing its bit to help young footballing talent with sponsorship of a young football team in West Lothian.

Murieston Utd Blue U14's received new tracksuits courtesy of Lothian Recycling.

Simon Murphy who coaches the youngsters said: "On behalf of all of the boys,

coaches and parents I would like to say a huge thank you to Lothian Recycling for their tremendous generosity. "Without community minded companies such as Lothian Recycling our team would not have the kit or equipment required to develop and train these youngsters."
